All Residents  
9, 11 & 15 Ardmore Park

## **COVID-19 UPDATES**

Singapore has seen a spike in the number of COVID-19 cases due to residents, long-term pass holders, work pass holders and visitors returning and coming into Singapore from overseas. Local transmissions have also taken an increasing trend. (Please Graph overleaf)

The ministerial task force has announced stricter measures to further reduce the risk of transmission and these precautionary measures may be extended and make more stringent, if the situation does not improve.

In view of the above, please be informed that additional restrictions will be imposed **with immediate effect** on the use of our facilities in Ardmore Park as follows:

### **1. Function Rooms / Pool & Entertainment Room / BBQ**

- a) All events / functions will be limited to not more than ten (10) people at any time.
- b) Social distancing of at least one (1) meter must be adopted without fail. We have re-arranged the tables and chairs and these should not be moved from their existing positions.

Our security will enforce the above strictly and it is with great regret that residents will be asked to leave the facilities if there is any non-compliance.

### **2. Gymnasium**

The gymnasium will be for **Residents' Use ONLY** until further notice. Residents are not allowed to bring in any guest to the gym with immediate effect.

The gym is a place where our residents work out in close proximity. This restriction will help prevent overcrowding and creates a safe environment for our residents to work out with peace of mind.

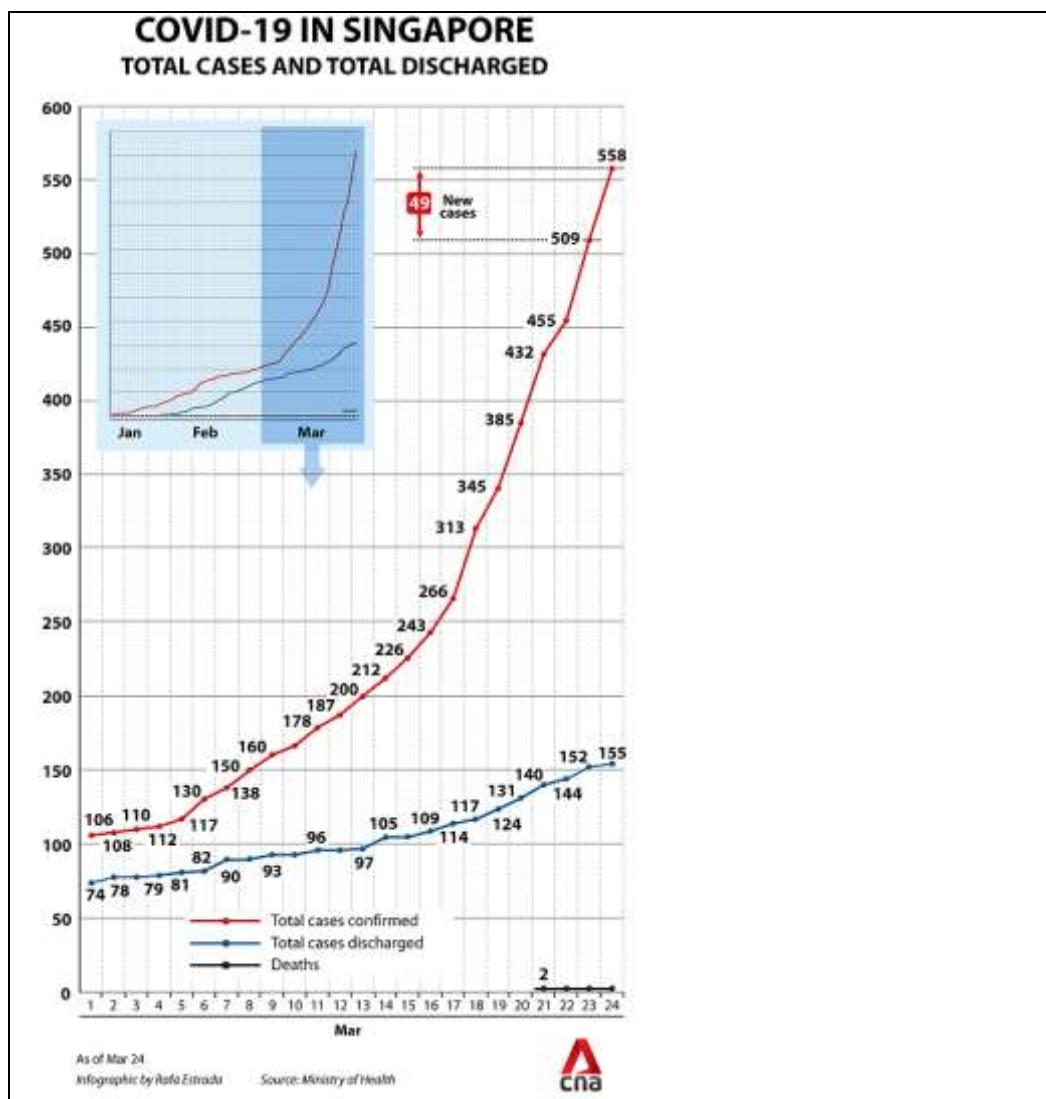

### **3. Quarantine Order (QO) / Stay Home Notice (SHN) / Leave of Absence (LOA)**

We are aware that a number of our residents have been served with QO / SHN / LOA. We want to remind residents not to go about the common areas or use any of the facilities if you have been placed under the abovementioned orders and notices. Kindly limit all non-urgent service calls to your units. (Please see latest restrictions by MOH overleaf)

We appeal to you to do your part to reduce non-essential social interaction and stay home during this trying time. Let us all bear with these minor inconveniences for a little while, knowing that our efforts will help tremendously in keeping Ardmore Park safe for your families and free it of Covid-19 transmission.

Thank you for your attention
