Update on Health Advisory for Residents – Wuhan Virus

In view of the Wuhan Coronavirus situation, we have taken the following precautionary measures to protect your health and safety. Please be informed that we will be conducting temperature checks on all service providers, contractors and delivery personnel at the Main Entrance and Rear Gate as a precaution with effect from 29 January 2020.

Kindly be informed that our security personnel will turn away all service providers, contractors or delivery personnel who are running a fever. Security will intercom you to let you know in case you wish to meet your service provider / contractor or collect your parcel at the main entrance or rear gate.

With immediate effect, we have also increase the frequency of cleaning the common areas and private lift lobbies and lift cars. Please do not be alarm if you find a cleaner in the lift car when you call for the lift.

If you have travelled overseas recently and developed flu-like symptoms or unwell, please seek medical consultation without any delay.

We are grateful for your co-operation and wish you the best of health.
