Dear Residents,

Arising from feedback from fellow residents, we seek your cooperation to refrain from hanging and / or display any laundry out on the windows for drying.

The appropriate place to hang laundry is solely confined the kitchen/yard area. All other windows / external area should not be indiscriminately used for hanging / drying / airing of laundry whatsoever for aesthetic reasons.

If you need further clarification on the matter or to report on any similar violations, kindly contact the Management office. We will be happy help. Thank you.
