9, 11, and 15 Ardmore Park

Dear Residents,

Disposal of Bulky Waste / Organic Materials

It is that time of the year where you will be discarding your used Christmas trees after the festive season.

Please do not leave your Christmas trees at the back service area or dispose them through the bin chutes. We would like to remind residents that non-artificial Christmas trees need to be disposed off properly at designated dumping areas in Singapore and not through the existing refuse system in Ardmore Park. We seek your co-operation to break down your non-artificial Christmas trees into smaller portions (2 feet length) and leave them at the bin chute areas in Basement 2 and we will make arrangements to throw them away.

Please call the Management Office at 6733 0862 if you have any queries.
